

STUDENT ENROLLMENT 2021-2022

NEW STUDENTS

If you are enrolling a **NEW** student, complete the enrollment form and upload the required documents listed below. Once all documents have been uploaded, please visit the school for which you are enrolling with the required documents for verification. If you are unable to provide any of the required documents, please visit the school for which you are trying to enroll.

Please upload these documents:

1. Age Verification Documentation- Birth Certificate or Passport/VISA when necessary
2. Alabama Certificate of Immunization or Exemption Documentation
3. Custodial Parent's Photo Identification
4. Proof of Residence:
 - Recent Utilities - power, water, gas, or garbage services listed in the parent/legal guardian name with service address listed on the statement (June or July)
 - Recent Mortgage Statement (June or July)
 - Housing Lease - Lease must be current and at the minimum, the parent/legal guardian must be listed as an occupant
 - Property Tax Record
 - Property Deed

Who Needs to Enroll in PowerSchool beginning June 30, 2021?

- **New Students:** Students who will be attending a Dallas County school for the first time- includes students who recently moved into the district or who previously attended a private or home-school.
- **Pre-K and Kindergarten Students**

Returning students who have not previously been registered through PowerSchool Online Enrollment **must** complete the process as a New Student. For those who have previously registered their student in PowerSchool, all student contact information **must be updated annually** in PowerSchool by using a unique snapcode.
