

# Alabama Broadband Connectivity for students

## Our Mission

ABC for Students has provided access to broadband for over 200,000 Alabama students. Our goal is to provide free and equal internet access to eligible K-12 students for distance learning.

## Free Internet Service

- There's no catch. ABC for Students is 100% **FREE**. You will never be charged equipment or for internet service
- Keep your free hotspot for future internet programs or for personal use after the program ends on June 30th, 2021

## How It Works

- 1** Sign this form and give it to your schools' designated ABC representative.
- 2** Receive your **Free** Hotspot.
- 3** Get Connected.
