$15 donation

(Your donation to class will provide us teachers to purchase items used for different projects in the classroom. Some of these activities will include science experiments, art creations, photography, and extra supplies needed for the classroom.)

Rest mat or blanket

(I suggest the rest mats that have the pillow attached or your child and bring just a simple blanket. These will be used for nap time. This will be your child’s personal belonging and will be kept in their personal cubbies outside the classroom, so it will not be in contact with anyone but the teachers of the class and your child. We will clean them daily after school or you will have the choice to take them home and wash it daily yourself. The choice is yours.)

A change of clothes

(A change of clothes will be needed just in case your child has an accident on themselves during the school day. This could be just simple play clothes. The garment needs would be a shirt, a pair of pants or shorts, underwear, and socks. It is important that your child has a change of clothes so if they do have an accident we will not have to call and disturb your day to come to the school just to bring a change of clothes.)
