These policies and procedures can be found in the office of the Chief School Financial Officer. These policies and procedures meet the minimum requirements set forth in federal law.
7. The following conduct will be expected of all persons who are engaged in the awarding and administration of contracts supported by Child Nutrition reimbursement funds. These written standards of conduct include:
   a. No employee, officer, or agent shall purchase or establish a contract if a conflict of interest, real or apparent, would be involved. Conflicts of interest arise when one of the following has a financial or other interest in the firm selected for the award:

The prospective participant shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

7. The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non procurement List.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

C. After refusal by the first bidder, the bid will be awarded to the next low bidder meeting requirements and specifications.

IV. Contract Period and Type

A. This bid contract consists of the attached letter, instructions, specifications, and requests for quotation form.

B. Items which are not listed and are later approved for purchase by the Dallas County Board Education shall receive the same price discount as the bid term.

C. This bid contract shall be in effect from August 1, 2017 through July 31, 2018.

V. Bidder Responsibility:

It shall be incumbent upon each bidder to understand the provisions of this bid document and, when necessary, obtain clarifications prior to the time and date set for the bid opening. Failure to obtain a clarification will be no excuse or justification for noncompliance with the provisions set forth herein.

VI. Clarification:

If a clarification is required the request shall be made in writing, to the Dallas County Board of Education not later than seven (7) working days prior to the time and date set for the bid opening. The Dallas County Board of Education will respond to the request, by letter, or in the form of a written addendum if it is determined that all prospective bidders should have benefit of the clarification. No addendum will be issued within the five (5) day period prior to the date of the bid opening. An addendum may serve to delay that opening for a time sufficient for all bidders to respond to the addendum.

VII. Liability:

Subsequent to the awarding of a contract, the contractor will be liable for any expense, including legal fees incurred by The Dallas County Board of Education or as a result of violations of the contract terms by any contractor.

VIII. Pricing

A. Prices are to be quoted as two separate costs; the market cost and a firm distribution fee for service. These prices combined will equal the sell price of the item. Market cost quoted shall be based on historical product cost for the period of Monday, April 17 through Friday April 21, 2017, from their suppliers. Prices are not to exceed (3) decimal places. Please indicate “count” of product if different than described.

B. Market Fluctuations: During the contract term, the open market cost may fluctuate based on current conditions, seasonal supply and weather. During the period of this bid, the Board will allow escalation/de-escalation pricing upon receipt of updated supplier/manufacturer price schedule as applicable. Any changes (up or down) in prices must be announced to the Child Nutrition Program Central Office by Wednesday, 10:00 a.m. on the week prior to pricing period start date. Prices submitted each week shall include the fixed fees for service. If not given by the deadline, current pricing will prevail. Proof of market cost shall be required for the duration of the contract. To validate weekly pricing the District can request documentation on any or all items listed on the order form.
The awarded vendor must be able to provide, if requested, sufficient documentation to substantiate the cost for the specific week. The acceptable documentation shall include invoices or written quotations provided from the vendor’s produce supplier. Request documentation must be provided to the District electronically within 5 business days of the request.

A. Fixed Fees: The term “fixed fees for service” is used in this bid to indicate the amount a vendor will be paid for purchasing, storing and delivering food products, as well as other indirect and overhead cost, including profit. Fixed fees shall remain firm for the duration of the bid including renewals and extensions.

B. Partial Case Quantities: The District has requested both full and partial cases of certain products on this bid. As the District cost will be based on market prices for full case quantities the pricing of partial (broken cases) shall be prorated in accordance with the broken size of the original wholesale unit. For example, if the market price of a full case of product is $10.00, the District would be charged $5.00 for a half case, plus the broken case fee.

C. Dallas County Schools shall have the option to purchase seasonal produce items and fresh produce not listed on the pricing bid form from the awarded vendor. Vendor shall use the pricing formula stipulated in section VIII Pricing section A.

D. All items shall be quoted F.O.B. to all three (3) School Sites.

E. If the successful bidders (s) receive discount on volume purchased or special discounts, this price is to be reflected to the Dallas County School System.

F. The decision of the Dallas County Schools Board of Education will be final on any question of pricing. The Board reserves the privilege to re-bid any or all items if price fluctuations are beyond amount anticipated or for any other good and just cause that are unsatisfactory to the Board.

IX. Quantity

A. The quantities of items specified herein to be purchased are estimated amounts. The fact that actual quantities for the ensuing year cannot be determined will not relieve the successful bidder of his obligation to fill all orders for these products during the contract period.

B. Quantities which are not ordered prior to the expiration of the period specified or termination of the contract shall stand automatically canceled.

X. Packaging

A. All products delivered shall conform in all respects to applicable standards promulgated under the Federal Food, Drug and Cosmetic Act, and with acceptable Dallas County Schools Board of Education standards.

B. Do not bid any food items preserved by the use of an irradiation process.

C. Quality of all fresh fruits and vegetables shall be free from decay, well colored and possess characteristics normally associated with Dallas County Board of Education Quality and grade Standards of U.S Department of Agriculture, Agricultural Marketing Service. All products quoted must be grade No. 1 Quality products, USDA Fancy or better.

D. All packaging and packing will be in accordance with Good Commercial Practice.

XII. Deliveries

A. Deliveries are to be made weekly to each school between the hours of 7:00 a.m. and 2:00 p.m. unless prior agreement has been made with the Purchasing Department.

B. Vendors shall set up a regular delivery schedule so the Cafeteria Manager and the Central Office may know when to expect a delivery. If for any reason a scheduled delivery cannot be made, the vendor shall contact the Central Office immediately.

C. No deliveries are to be made during lunch hours without the Cafeteria Manager’s permission.

D. Deliveries are to be made to the school as indicated on purchase order. Schools in Dallas County Board of Education district: Keith High School, 1166 County Rd. 115, Tipton Middle School, 2500 Tipton ST., and Salem Elementary School, 3486 Dallas County Rd. 3., Orrville AL 36767

E. All products shall be in a wholesome and sanitary condition, properly packaged at the time of delivery. Trucks shall be clean and free from odors. Products are subject to be re-examined at their destination for compliance to specifications.

XIII. Backorders

A. Items temporarily out of stock shall be a minimum. When this occurs, mark “out” on delivery ticket and do not backorder.

B. In case of out of stock items the vendor shall notify the Child Nutrition Program Purchasing Department.

XIV. Cancellations

No items in the bid are to be canceled without the prior consent of the Purchasing Department.

A. No substitutions on items, brands, grades, etc. are to be made by the vendor without prior consent of the Child Nutrition Program Purchasing Department. Any substitution made without prior consent will be refused.

B. The vendor is not to request authority to substitute unless the quality of the item to be substituted is equal to, or higher grade than originally requested.

C. Substitutions shall be priced same as ordinal bid item.

XVI. Labeling

A. All cases, boxes, etc. must bear commercial labels. All cartons, containers, etc. shall be clearly marked as to specific contents.

B. Brand names must be shown on the “Request for Proposals Form.” So-termed “Packer’s Label” is not acceptable as a brand name. Bid only on one brand that meets specifications.
C. All packaging shall conform to current standards acceptable to the trade and required by ICC Regulations.

XVII. INSPECTION

A. A sample of any product shall be furnished on request for quality test or if a sample is requested on the “Request for Quotation Form.”

B. The successful bidder will furnish the Dallas County Board of Education the United States Department of Interior Certificates of grade upon request when quality is questioned. Any expense incurred in obtaining grade certificates and/or conformances to specifications are the responsibility of the vendor.

XIII. Default

A. If, at any time, the vendor makes a delivery that is not in accordance with the instructions, conditions, and specifications set forth by the Dallas County Board of Education, such delivery will constitute grounds for the cancellation of the contract and/or the removal of this vendor from the mailing list for not less than one year.

B. If at any time the vendor fails to provide the products for the duration of the bid contract period will constitute grounds for the cancellation of the contract and/or the removal of this vendor from the mailing list for not less than one year.

XIV. Billing

A. The accounting and bookkeeping for the Child Nutrition Program in the Dallas County School System is to be handled by the Central Office.

1. All invoices and credits involving the Child Nutrition Program should be sent to the appropriate school listed on the purchase order. All other accounting correspondence should be sent to the Dallas County Board of Education.

B. At the time of delivery to the school, two (2) copies of the vendor’s invoice shall be left with the Cafeteria Manager. The copies left with the Managers cannot be changed. The vendor shall post his records to agree with the invoice left with the Manager.

C. In the event of errors, a credit or debit (as the cause may be) is to be issued against the invoice as it was presented to the Cafeteria Manager.

   1. The credit or debit shall show the original invoice number, date and error being corrected on the face of said credit or debit.

   2. The credit or debit shall be sent to the Central Office.

D. Statements shall be figured on the last delivery of the month and remitted to the Central Office immediately.

E. Payments for delivery of the product pursuant to this agreement are to be made by BUYER to VENDOR, upon receipt and approval of VENDOR’S invoice and statement within thirty (30) days of delivery provided that funds are then available but in any event within sixty (60) days of delivery, unless otherwise agreed to by the parties hereto.
XIX. General Conditions

A. The Dallas County Board of Education reserves the right to decrease the number of cases required for any item should these items become available for distribution as surplus commodities from the USDA.

B. The successful bidder shall handle all bid items and any additional items needed by the Dallas County Board of Education at the same margin of profit at which bid is taken.

XX. Standard Contract Conditions:

A. This contract shall be governed in all aspects as to validity, construction, capacity, performance or otherwise by the laws of the State of Alabama and the United States.

G. The contractor agrees to retain all books, records and other documents relative to this agreement for three (3) years after final payment. The Dallas County Board of education, its authorized agents and/or state/federal representatives shall have full access to, and the right to examine any of said materials during said period. If an investigation or audit is in progress, records shall be maintained until stated matter is closed.

H. Any product offered which is not labeled in such a manner as to permit interstate transport will be rejected. Packers and or producers located within the State of Alabama must understand that Alabama Department of Agriculture inspection labels will not qualify under provisions of this Invitation to Bid.

I. Contractors shall comply with all applicable standards, orders or requirements issued under Section 306 of the Clean Air Act (42 U.S.D. 1857(h)), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738 and Environmental Protection Agency regulations, (40 CFR Part 15), which prohibit the use under non-exempt federal contracts, grants or loans of facilities included in the EPA List of Violating Facilities.

J. By signing this document, the contractor certifies that this bid is made without prior understanding, agreement or connection with any corporation, firm or person submitting a bid for the same materials, supplies or equipment, and is in all respects fair and without collusion or fraud. The contractor certifies that collusive bidding is a violation of federal law and can result in fines, prison sentences and civil damage awards.

L. Contractor shall comply with Section 103 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998. Contractors shall, to the maximum extent possible, utilize domestic commodities. The legislation defines “domestic commodity or product” as one that is produced in the United States or processed in the United States substantially using agricultural commodities that are produced in the United States. The term “substantially” shall mean that over 50 per cent of the final processed product shall consist of agricultural products that were grown domestically. Failure to abide by this provision shall result in the cancellation of the contract, the refund of all funds paid toward the purchase of such products, and the removal of the contractor from doing business with agencies of the State of Alabama for a period of not less than five (5) years.

XXI. Laws

A. All products furnished to the Dallas County Board of Education shall comply with the latest standard and regulations established by state and federal laws, including the United States Department of Agriculture for the Grade Specification.

B. All bidders must comply with Alabama Immigration Law, HB. 56. The law requires that certain contractors/vendors provide proof that your company is in compliance with the immigration law by submitting a notarized Affidavit of Immigration Law Compliance and an E-Verify Memorandum of Understanding. This law is applicable to any person, employer, or business entity that enters into a bid agreement to perform any work or provide a certain product in exchange for valuable consideration. Attached is an Alabama Immigration Law Compliance, HB. 56 which provides instruction on the compliance process. The completed Affidavit of Immigration Law Compliance form and your company E-Verify Memorandum of Understanding must be submitted with the bid.

C. All contracts over $10,000.00, awarded by the SFA, must include a provision to have access to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract, for the purpose of making audit, examination, excerpts and transcription. G. All products furnished to the Dallas County Board of Education shall comply with the latest standard and regulations established by the federal laws, including the United States Department of Agriculture, for the Grade Specification.

H. Bidders must comply with the Buy American provision (7 CFR part 210.21). The term ‘domestic commodity or product’ means an agricultural commodity that is produced in the United States and a food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. The term “substantially” is defined by USDA as meaning that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically. The Federal Nutrition Service encourages specifications using Federal funds to require
100% domestically grown and processed products. The exceptions to the Buy American requirements that Dallas County Schools may consider are:

3) The product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality.
4) Competitive research and bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

I. In the event that the instructions, conditions, and specifications of the Dallas County Board of Education exceed any of the previously mentioned agencies, the instructions, conditions, and specifications of said Board shall have control.

XXII. Gifts and Gratuities

Acceptance of gifts from contractors and the offering of gifts by contractors are prohibited. XXIII. Contract Cancellation

The contract may be canceled for cause by either party upon issuance of written notice 30 days prior to intended date of cancellation. Cause for Dallas County Board of Education shall include, but not limited to failure, on the part of the contractor, to perform in compliance with the specifications and/or contract conditions.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters - Primary Covered Transactions

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017, Section 3017.510, Participants' responsibilities. The regulations were published as Part IV of the January 30, 1989 Federal Register (pages 4722-4733). Copies of the regulations may be obtained by contacting the Department of Agriculture agency offering the proposed covered transaction.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(3) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) have not within a three-year period preceding this proposal been convicted of or had a civil judgement rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(4) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
Instructions for Certification

11. By signing and submitting this form, the prospective primary participant is providing the certification set out on the reverse side in accordance with these instructions.

12. The inability of a person to provide the certification required below will not necessarily result in denial of participation in a covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

13. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

14. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

15. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

16. The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

17. The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

18. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non procurement List.

19. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent
person in the ordinary course of business dealings.

20. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
